YOUR WEEKEND STARTS HERE

■ **REMEMBERING:** Oliver Gregory with his winning picture, Tara Landers, Crewkerne RBL chairman Gary Pennells and headteacher Gillian Harcombe.

Poppy picture winners

SCHOOLCHILDREN in Crewkerne were invited by the local branch of the Royal British Legion to enter a poppy picture competition to mark the 90th anniversary of the national charity.

Two winners were picked during the Henhayes fete by branch chairman Gary Pennells, David Lowe county manager from the RBL county welfare fund and the actor Trevor Peacock, who was visiting the stall that day.

The pictures were chosen for their outstanding features. The junior winner was six year old Oliver Gregory from St Bartholomew's First School who impressed the judges with his drawing of memorial crosses, poppies, a tank and a soldier dressed in red. Mr Pennells said he was particularly touched that the memorials had writing on, one saying Great Grandad and the other We Will Remember Them.

The teacher who coordinated the project, Tara Landers, said the entire school had been involved and they would be making a display of all the poppy pictures. Headteacher Gillian Harcombe said she was very pleased the Legion had held the competition because it was important that the children learned about the reason for the charity. Oliver said he had enjoyed drawing his picture and he was going to use the money he had won to buy some paints.

The senior winner was Amy Barrett (pictured on the front page) from Ashlands First School who cut out paper poppies complete with green stems and stuck them on the a black background with the simple message "Help the Soldiers".

Mr Pennells said: "We all knew straight away it had to be hers, there was no contest, it stood out so much with all the poppies."

The Royal British Legion members would like to thank all the children who took part Mr Pennells remarked how much it meant to them that the young people were remembering, because it was not just about the few veterans left from the second world war but all those since then, from the Falklands, Iraq and Afghanistan.

CREWKERNE young artists attending Yeovil College faculty of arts, media and publishing have been involved in their end of year show which raised nearly £1,500 for charity.

This year's event, entitled MADE, highlighted the creative talents of the college's top art, design, media, music and performing arts students and was attended by record numbers of friends, family and special guests.

Among the artists were foundation diploma student Lianne Runcieman (19) of Crewkerne, whose work was inspired by the themes of British Culture and Patriotism. Lianne is going to the University of Wales, Newport, to study documentary photography.

BND Art and Design student Lilly-Eve Marfy (17) of Over Stratton was inspired by a trip to London's China Town to produce a range of work entitled "Not the Golden Dragon", aimed at changing the takeaway image of Chinese cuisine. She has applied for a BA (Hons) in Graphic Design at Southampton Solent University.

As well as the arts exhibition, the students presented a diverse night of musical and theatrical entertainment for the grand opening, including extracts from the 2011 smash hit production of "Sweeney Todd: The Demon Barber of Fleet Street" and Shakespeare's Henry V.

The arts show itself was presented in the multimillion pound Leonardo building. It featured creative pieces by art and design, graphic design, photography, media and fashion and textiles students. The work comprises the final major projects of students completing a range of courses this summer, including A Levels, BTEC National Diplomas and Foundation Diplomas.

Crewkerne news

'Yes' to nursery operating plans

CHILD MINDERS operating an Ofsted rated 'outstanding' nursery at Shelle House in Court Barton, Crewkerne, have been granted permission by South Somerset District Council to provide day care for a maximum of 20 children up to the age of six.

The decision was made at the Area West Committee last week, despite the objections of local residents and the town council.

Their original application had been reduced from 25 to 20 children and they were not allowed to go up to eight years of age, as hoped. In addition they must have no children on site before 8am and none on site after 6pm with no weekend or evening sessions, or bank holidays.

The number of children playing outside at any one time was given a limit of seven and the courtyard they play in must be rubberised to reduce noise. This excludes the area under cover for the sole use of babies. Another condition was that play time outside to be restricted to a maximum of 45 minutes per session, with at least an hour and half period between each 45 minute play session.

School bus cuts

DAVID Laws, MP for Yeovil Constituency, has called on Somerset County Council to scrap its plans to end free transport for children from Merriott, who are due to attend schools in Crewkerne from this September.

A number of parents have contacted Mr Laws to complain about the change in plan by Somerset County Council, and the suggestion that the children could instead walk to school down the busy A356 route.

The route from Merriott to Crewkerne is just inside the three mile limit for free transport, but free transport has been granted in the past as the local roads were considered too unsafe for children to walk to school.

Mr Laws said: "The free travel has lasted many years, and this decision was taken because the routes into Crewkerne from Merriott were considered unsafe for young children to walk."

"The county council now seems to be suggesting that children walk an even less safe route, down a narrow country lane and onto the main A356."

"I am writing to the Chief Executive of Somerset County Council, asking for these plans to be scrapped and for the free transport to be restored."

Winner treats a friend

THE ILMINSTER First Tuesday winner for May, was very surprised when the purchase of a new watch strap gave her the opportunity to treat her friend to some pampering.

Jonathan Rice, Managing Director of Samson Office Supplies in Ilminster, recently picked the winner of the May prize draw run by the Ilminster First Tuesday campaign. Trisha Piper from West Chinnock was the lucky winner of a full treatment at the Wellbeing Dental Health & Day Spa and had entered the draw when she made her purchase in the

jewellers Gordon Stoker and Sons of Silver Street.

She said: "I have a grand plan, I would very much like to give it to a friend who has had some bad luck.

"I come to Ilminster about once a fortnight, I like it because it still has family shops and I think the draw is a fantastic idea. When I got the phone call it was out of the blue and I couldn't remember what I'd signed, it was a marvellous surprise."

After being presented with her prize by Gill Yabsley-Mogg from the day spa, Trisha drew the June

winner of the draw who was Jill Taylor from Broadway who had also filled out her ticket in Stokers. Her prize will be £100 worth of vouchers to spend in the participating businesses in the town.

If you would like to have the chance of winning the monthly prize draw just make sure that you pop along to Ilminster on the first Tuesday of any month and shop in one of the businesses in the town which are displaying the green and blue balloons. Many also run special offers of their own alongside the draw which is free to enter.

■ SPECIAL TREAT: Trisha Piper receives her First Tuesday prize from Gill Yabsley-Mogg of the Wellbeing Dental Health & Day Spa with Mandy Baler and Gill Pablo from Gordon Stoker & Son

ALL GARDENERS in the area should make sure that they are shopping in Ilminster on Tuesday, July 5th, as they will be in with a chance of winning "Tea with Toby" at The Monks Yard if they enter the First Tuesday prize draw.

The Monks Yard Conference Centre and Café, just outside Ilminster, have scored a real coup by securing the services of Toby Buckland the renowned gardener and TV presenter (captured here by Jason Ingram). He will be giving a talk, answering questions and signing books in on Friday, August 12th. The tickets for this very special afternoon include "Strawberries and Bubbly" and First Tuesday is delighted to be able to offer four tickets to this prestigious event as the prize for the July draw. The value of the prize is £100 but they are sure that it will be worth far more than that for gardening fans.

For those who are not lucky enough to win the prize the event is open to all. Tickets are available now. Call the Monks Yard for further information about an early bird price or check out their website - www.themonksyard.co.uk to find out more.

To enter the prize draw and have the chance of winning this wonderful prize all you have to do is shop in one of the participating First Tuesday businesses in Ilminster on Tuesday, July 5th and fill in one of the prize draw cards.

■ GOLD ACHIEVERS: Max Westlake, Ben Haines and Dean Douglas

Holyrood students go gold

THREE ex- students of Holyrood Academy, in Chard, were among the hundreds of young achievers from across the UK who had a date in the prestigious setting of St James' Palace, London in April.

Max Westlake, Ben Haines and Dean Douglas from Combe St Nicholas and Horton each achieved their Gold Duke of Edinburgh Award whilst studying at Holyrood sixth form. They travelled to London to receive their certificates from Trustee and Gold Award holder HRH Prince Edward The Earl of Wessex.

The three lads worked tirelessly through the five sections of their DoE programme over a number of months to achieve their Gold Award. Their diverse activities included expeditions on Dartmoor in horrendous weather conditions and residential volunteer work for a week. Throughout their challenges, the youths all said they had benefited from the team building, communication skills, leadership qualities and camaraderie.

Max Westlake is now on an electrical apprenticeship at CME in Combe St Nicholas, Ben Haines is on a gap year and is working at the Shrubbery Hotel in Ilminster and Dean Douglas is studying for a four year BA Hons degree in Business Studies at Plymouth University.

Loads of laughs at Lions fete

■ **POWER RUNNING:** Georgia Weston gets to grips with mechanical running

AN ELEMENTAL day greeted the Ilminster Lions for their annual fete as high winds and showers were punctuated by warm sunshine, which kept one or two of the stallholders away and left those that were there holding on to their gazebos, but there was still a good turnout and the entertainment went ahead as planned.

There were a few new additions to the line up this year and the Taunton Ukulele Strummers Club were very popular with their cheery tunes. Children's games were also new to the event with some hilarious sack racing reminiscent of that old TV favourite It's a Knockout as the Lions tried to help one little chap who got completely lost inside his Royal Mail sack.

Despite the gusty wind, the climb-

By Marion Draper

ing wall was put to good use throughout the day as were the circus skills and the Greenfylde School Maypole still went up thanks to one of the teachers lying on the base.

Catherine Bartlett Irish dancers made a welcome return along with the Appalachian dancers and the Trojan Twirlers. The ever popular John Gudge added to the entertainment with his singing and mouth organ skills, John is currently looking for a pianist to accompany him and his many ventures.

The Royal British Legion had an interesting taste challenge on their stall. To celebrate their 90th anniversary, they had chocolate cake made to a wartime recipe with no eggs to

compare with a modern cake; many preferred the war time version.

The Army cadets were fundraising for themselves this year, their company have to raise £3,000 for to join in a massive trip to Euro Disney, with 500 cadets from across the county going on the adventure.

With plate smashing, the bouncy castle and stalls selling their wares and a nice cream tea to top it off, it was a good afternoon out.

The Lions are already planning their next major event which will be the annual 10K run for charity in November and entries are coming in. This extremely popular event is limited to 400 runners so if you are entering it pays to book early. Call 01460 259711 or email charity10k@ilminsterlionsclub.co.uk

Carnival old and new

■ **FAMILY CLUB:** Laurence Harris, Tina Francis and Marian Harris of Poppe Carnival Club

CHARD Carnival may be months away but fundraising is hotting up for the clubs who want to strut their stuff on the night.

The carnival committee held a unique event on Saturday when they and the Chard carnival clubs set up stalls in the main barn and

back garden of the museum. There were tombola prizes and bric a brac to buy as well as face painting and splat the roo.

Former carnival princess Karen Salter was raising money for her own walking entry this year and the

by Marion Draper

current princess, Jessica Lacey was selling raffle tickets as she has decided to run for the title again.

There is now one candidate each for the Miss Chard and Princess positions with another possible in the wings but the com-

mittee are hoping there will be a competition. It is not too late to enter. Anyone interested should contact Doreen on 01460 64502 or Paul on 01460 62108.

Karen, who was princess in 2009, said it really wasn't that difficult to raise the money, she did a coffee

morning and a cake stall and Barleymows allowed her to sell tickets to their customers for a day.

The museum trustees were pleased to welcome the carnival clubs for the day and hoped it would lead to more community use of the garden area.

Chard Carnival Committee recently set up its own Facebook page at <http://www.facebook.com/chardcarnival>

Committee chairman Helena Stone said this week: "It went well, much better than expected because of the weather. The museum commented that they hadn't seen as many people at an open day for a long time and we managed to raise awareness for ourselves and the clubs, and raised money at the same time. Not sure how much we raised yet but I think it's into three figures.

"There are some raffle prizes still to be collected - they can be picked up from Sues Flowers in Boden Street."

Musical punks are community guys

THEIR music might be heavy and anarchic in style but Ilminster duo Noah Burton and Justin Wood who play as 51st State are good-hearted guys who want to help other young people to be heard in their community.

When they formed their own band as young

teenagers in late 2006, they had both worked at the Ilminster Meeting House Arts Centre, where Justin still works part time in the café.

With their style of music which they describe as philosophical peace punk,

they had found it hard to get into the pub circuit which is often aimed at a blues, rock audience. Their main influence is 80s punk, the Ramones, Clash and New Model Army. When they asked if they could perform at the centre, and try to establish regular band nights, the manager was pleased at their initiative.

Noah is currently doing crew work for the Rock City Agency, he was awarded a Pride of Somerset Youth Award earlier this year. Justin has just finished college and is heading for university in Glamorgan to do sound engineering.

Justin and Noah are really happy performing at the centre which they said has great acoustics and love being able to give other young musicians a leg up by organising their band nights under the name of Old Hat Promotions. They wish there were more venues for young people to take their music and offer a relatively cheap night out.

This weekend, the duo have organised Teenagers from Outer Space on Saturday night which is a line up of punk and rock and roll in a mix of electric and acoustic sound. They offer exciting opportunities for young bands and musicians to take to the stage. The Bank Holiday Festival

of Bands coming up at Ilminster Arts Centre in August has also been organised by them. If anyone is interested in the band nights they can contact Justin and Noah through Sara Loveridge at the Meeting House 01460 55783.

Champion Bob

SCHOOLS CHAMPION: Bob Brunt receives his award from Somerset FA director Clive Horsley

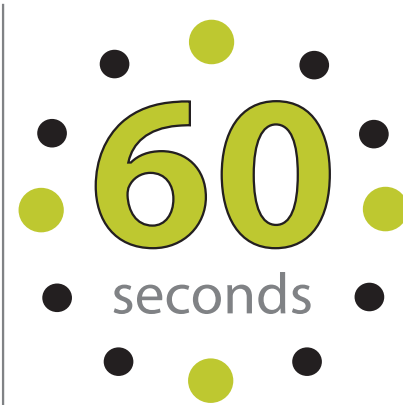

SCHOOL sports coordinator Bob Brunt has been named Schools Champion for 2010-11 by Somerset Football Association.

Somerset FA South Somerset Football Development Officer, Sion Kitson, said: "The winner of this award has worked closely with me ever since I started this role as Football Development Officer in South Somerset."

"He is a big promoter of the FA mini whistlers refereeing courses and has been proactive in providing leadership opportunities for pupils via creating lunchtime clubs and opportunities to officiate with local clubs. He has also been a major advocate of Futsal."

"However, arguably his biggest achievement has been developing the close links between Maiden Beech School and local club Merriott FC. Thanks to him the two share the facilities and support each other to provide wonderful football opportunities for the children."

"Consequently, it gives me great pleasure to award Bob Brunt as The Winner of Schools Champion for 2010-11."

ORIGINALLY from Surrey, Teresa Rose became a West Country girl when she married a cricketer who came to play for Somerset.

They lived in Taunton for a while then moved into a 'fixer upper' in Ilminster 13 years ago.

She has been a teacher at both primary and secondary level, a personal assistant and a college lecturer in communication studies and has made herself useful within the community by working for a time as arts administrator at the Meeting House Arts Gallery and being involved in Somerset Arts Week.

Now Teresa is a health centre manager at the complementary health centre at Nine Springs, Yeovil, but is still helping the local businesses in Ilminster by acting as coordinator for the First Tuesday initiative, which offers free entry to a prize draw when shoppers use participating businesses on the first Tuesday of every month.

● WHAT do you like about Ilminster?

It is a very friendly community with lots of individual shops, not like a homogenised high street and there is a lot of community spirit here.

● IS there anything you think the town lacks?

We do need a public swimming pool but we've all been calling for that for a long time. We do have a very nice theatre which is great. My son is involved in a drama group there - he also plays for the cricket club.

● WHAT are your thoughts on First Tuesday?

I think it's a really good campaign, very worthwhile as the prizes are good and it helps raise the profile of Ilminster.

It brings people into town, including the locals. Other market towns have looked at our model to see how it works.

● DO you actually like cricket?

Yes I do, even when I was at uni I used to go to matches. My dad played at the lower level and I used to do the score.

● DO you have any hobbies?

I used to sing in a chamber choir in Taunton which is something I wouldn't mind going back to but I am a parent governor on the board of Huish Academy where my son goes which is taking quite a bit of time at the moment because it's all new, although having been a teacher is a big help.

● WHAT is the difference with an academy?

An Academy school it its own boss and can choose how to buy the services it needs. It can make its own rules within limits and those that are not tied to a bus timetable can even work on flexi hours. Unfortunately my son's school is one of those that does have to work with the buses because of where it is.

● WHY did you go into teaching?

You either went to secretarial college, or went to uni to become a teacher, doctor or vet. I did a lot of drama when I was younger and used to take groups

with the younger ones, so I knew I could teach.

● IS there anything you wish you had done and didn't?

Most things I have done and enjoyed. I believe in turning your hand to whatever is put in front of you. If I had done things differently I might have possibly gone into journalism but nobody ever suggested it, it was not put forward for females.

● WHAT would be your three desert island choices?

I'd like to take a solar powered radio because I listen to the radio a lot and it would provide me with music. A Kindle because I like to read a lot of deep stuff and my glasses. I'm reading about the nature of talent at the moment, whether it is innate or acquired and like a good detective story.

● ARE you interested in environmental issues?

I have always been very environmentally conscious, even before it became a popular topic. All this thing about bin collections at the moment is driving me mad.

● WHAT would be your greatest pleasure?

An aromatherapy massage, it helps the whole body. I enjoy the theatre, although I don't get to go much and I love art galleries.

I went to London recently for a girlie weekend, saw the Jersey Boys and went to the National Gallery, it was bliss.

● IF you could meet anyone, who would you choose?

Mandella, we spent a winter in South Africa when Graham was playing there and I loved the country. I think he'd be so interesting, it would be fascinating to listen to his insight into how he coped with Robin Island and then the release. Then how he reconciled himself to how people had been towards him.

■ **A TASTE FOR TENNIS:** Daniel Bates, Megan Burton, Harry Hawkins and Joshua Lee

Full sized court for pint sized players

FOUR pupils from Buckland St. Mary Primary School got in the Wimbledon mood when they took part in Chard Tennis Club tennis tournament.

They were lucky enough to play on the club's full size courts, which posed some initial problems on serve distance, but the children soon got their eye in.

They had a brilliant time playing against other local primary schools. The school awarded the participants a certificate and a match tennis ball to practise with.

Their teacher, Rachael Auton said: "Since preparing and attending the tournament there has been an explosion of interest in tennis on the playground. This has been a truly inspirational event, thanks to Jason Hedaux and Chard Tennis Club for organising it."

Other work included hats and fascinators, Winnie the Pooh and nursery rhyme inspired images and colourful versions of a portrait based on firework bursts.

Experienced all year round gardeners with a passion for nature, organic gardening and vegetable growing

We are Lee and Isabel Kerley, the husband and wife team behind Ilminster Garden Services. We're all year round gardeners with a passion for nature, organic gardening and vegetable growing.

Gardening is our shared love. We're both qualified, experienced, enthusiastic horticulturists. Ilminster Garden Services is now up and running and thriving! Our service includes most aspects of garden maintenance and development including planting and specialist pruning of trees, shrubs and climbers, hedge trimming, mulching, lawncare,

Whether you want to create a new garden or maintain an existing one, let us take the strain! We have the experience and knowledge to do the right thing at the right time so you can trust us with your favourite plants! Jazz favourites return to Ilminster Arts Centre

ILMINSTER Arts Centre favourites Steve Graham, Mike Denham and John Wurr who audiences will know from the popular 'SpeakEasy' sessions, return for a night of irresistible New Orleans inspired jazz. This time they will be playing with Steve's full seven-piece band Classic Jazz.

Formed in 2005 from a desire to play the exciting hot music of King Oliver, Jelly Roll Morton and other New Orleans' bands of the 1920's, as well as the classic rags of Scott Joplin and his contemporaries, Steve Graham's Classic Jazz does not set out to reproduce slavish copies of the original recordings. It has its own distinctive sound which creates driving, swinging ensemble jazz. This is the music from which the immensely popular "Trad" bands of the 50's and 60's developed their styles.

Steve's expressive trumpet playing ranges from the "hot and dirty" to the refined and melodic. He is well

known at Festivals and Jazz Clubs for his playing with such diverse bands as The Panama Jazz Kings, Des Bacon's Red Hot Syncopators, Roy Pellett's Dixie Five and of course Original Rags.

Mike Denham is an acclaimed exponent of classic ragtime, boogie-woogie and stride piano styles. He leads the popular Sunset Café Stompers, and he has performed at Ilminster many times. John Wurr on clarinet and alto sax, is highly regarded as one of the UK's most versatile reed players. The band also features Tom Whittingham on trombone, Dave Martin on second cornet, John Baker on Banjo, and Drummer Ron Berry.

The concert takes place this Friday (June 24th) at Ilminster Arts Centre, starting at 8pm. Tickets cost £15, and pre-show supper cost £8 (from 7pm). For more details call 01460 55783 or call the box office on 01460 54973 for tickets

LOCAL FOOD BUSINESS SPONSORS CHARD MUSEUM

WITH the future of Chard museum still in the balance for next year and beyond, new ideas for funding have been sought by the trustees. Volunteer custodian Gerri Bews has put her money where her mouth was and after suggesting they ask for sponsorship from local companies, has become the first to do so. Together with her daughter, Samantha Kulpa, they run Samantha's Home Run Restaurant, operating out of a unit on the Millfield Industrial Estate, delivering proper dinners to the door. They want to sponsor food at any events to be held at the museum, giving them greater scope for fundraisers and have paid for the next newsletter and other sundry items. Their hope is that other businesses in the town will offer sponsorship to help keep the important heritage centre afloat.

Top gardening Author Anna Pavord to give talk on 'Bulbs For All Seasons' at Forde Abbey

ONE of the UK's most respected gardening authorities, author Anna Pavord, will be giving a talk on "Bulbs For All Seasons" in the Great Hall at Forde Abbey, near Chard, on Sunday, July 10th at 6.30pm. The talk is part of the RHS's immensely popular Growing For Success series, which is open to both RHS members and non-members. Last year's Carol Klein RHS talk at Forde Abbey was a sell-out success.

Owner Alice Kennard said: "We consider ourselves extremely fortunate to have booked Anna. She is an incredibly knowledgeable gardener and a revered writer. Her book *The Tulip* was a worldwide bestseller, with over 150,000 copies sold in the UK and the US."

Anna Pavord is a prolific author, with not only a weekly gardening column in *The Independent* newspaper, but also regular contributions to *Gardens Illustrated*, *Country Life*, *Country Living*, *Elle Decoration* and *The Observer*. So it is not surprising that she is sought after as a speaker on the garden lecture circuit.

For keen gardeners, this is an opportunity not to be missed, particularly as the event is held in Forde Abbey's magnificent 12th Century Great Hall.

Tickets cost just £9 and £7 for RHS members. The price includes a glass of wine.

To book a ticket, please telephone: 01460 220231. Forde Abbey, Chard, Somerset, TA20 4LU.

Going Out Film

This week's new releases

BRIDESMAIDS ¹⁵

ANNIE (Kristen Wiig), is a maid of honor whose life unravels as she leads her best friend, Lillian (Maya Rudolph), and a group of colorful bridesmaids (Rose Byrne, Melissa McCarthy, Wendi McLendon-Covey and Ellie Kemper) on a wild ride down the road to matrimony. Annie's life is a mess. But when she finds out her lifetime best friend is engaged, she simply must serve as Lillian's maid of honor. Though lovelorn and broke, Annie bluffs her way through the expensive and bizarre rituals. With one chance to get it perfect, she'll show Lillian and her bridesmaids just how far you'll go for someone you love.

THE FIRST GRADER ^{12A}

SET in a mountain village in Kenya the film tells the remarkable true and uplifting story of a proud 84-year-old Mau Mau veteran who is determined to seize his last chance to learn to read and write - and so ends up joining a class alongside six year-olds. Together he and his young teacher face fierce resistance, but ultimately they win through - and also find a new way of overcoming the burdens of the colonial past.

TRANSFORMERS: DARK OF THE MOON ^{12A}

THE Autobots Bumblebee, Ratchet, Ironhide and Sideswipe led by Optimus Prime, are back in action, taking on the evil Decepticons, who are determined to avenge their defeat in 2009's Transformers Revenge of the Fallen. In this new movie, the Autobots and Decepticons become involved in a perilous space race between the U.S.

and Russia, and once again human Sam Witwicky has to come to the aid of his robot friends. There's new characters too, including a new villain in the form of Shockwave, a longtime "Transformers" character who rules Cybertron while the Autobots and Decepticons battle it out on Earth.

VIVA RIVA! ¹⁵

Riva is an operator, a man with charm and ambition in equal measure. Kinshasa is an inviting place. With petrol in short supply in DRC's capital, he and his sidekick pursue a plot to get hold of a secret cache - barrels of fuel they can sell for a huge profit. Of course they're not the only ones who want the stuff. Cesar is a ruthless, sharply dressed foreigner thriving in Kinshasa's lawless streets. A female military officer joins the fray. Even the church will betray its tenets for a piece of the action. But Riva's main nemesis is Azor, a crime boss in the classic style: big, decadent and brutal. He's not a man to mess with, but his girlfriend, Nora, may just be the most seductive woman in all of DRC. Riva catches sight of her dancing at a nightclub and it's not long before Nora matches the fuel cache as a coveted object of his lust.

New 99g/km Audi A1 cleans up even more thoroughly

THE price of progress in the Audi A1 1.6 TDI falls even further from this week as an even more fuel efficient version of the frugal premium sub-compact hatchback shrugs off road tax and the London congestion charge through a lower 99g/km CO2 output. Improved 74.3mpg economy potential, and unchanged OTR prices for the SE, Sport and S line models ranging from £14,480 to £17,865, also help to make the thriftiest A1 an even more desirable proposition.

Further optimisation of

the fuel system and engine management unit has reduced the CO2 output of the A1 1.6 TDI from 105g/km to 99g/km, and boosted its official combined economy figure from 70.6mpg to 74.3mpg. As before, the achievement of these outstanding figures is aided by engine start-stop and energy recuperation systems.

The performance delivered by the turbo charged and directly injected common rail unit also remains as keen as ever. The A1 1.6 TDI with five-speed manual

transmission sprints from rest to 62mph in 10.5 seconds, and where conditions allow can reach a top speed of 118mph.

The advantage held by the revised 1.6 TDI won't only be felt at the filling station. With CO2 dipping below the 100g/km mark it is exempt from the London congestion charge, and also from Vehicle Excise Duty (VED) from year 2 onwards as the duty bandings currently stand. The majority of A1 models, including the 1.6 TDI, are already duty-free in the first year of own-

ership.

The A1 1.6 TDI with 99g output can be ordered in all three UK A1 trim levels – SE, Sport and S line. Features common to all include alloy wheels, remote central locking, air conditioning, electric front windows and mirrors and a six-speaker single CD audio system with auxiliary iPod connection linked to a 6.5-inch retractable display.

This efficiency standard bearer is far from the exception to the rule for Audi. The Vorsprung durch Technik brand offers an exceptional range of models that cham-

pion the cause, the most notable being the three-door A3 1.6 TDI which can also offer 99g/km and 74.3mpg capability, the A4 TDI Saloon with 120g/km and 61.4mpg, the new A6 2.0 TDI saloon with 129g/km and 57.6mpg and the TT TDI quattro with 53.3mpg and 139g/km. Later in 2011, another highlight will be launched in the shape of the front-wheel-drive A8 3.0 TDI luxury saloon, combining 204PS with the potential to cover up to 47.1mpg while emitting just 159g/km of CO2.

▲ **Latest A1 is even better gram for gram** | Revisions to the Audi A1 1.6 TDI have boosted the fuel economy of the already frugal premium sub-compact hatchback to up to 74.3mpg, and reduced its CO2 output to a VED and London congestion charge-cancelling 99g/km. Prices start from £14,480 OTR.

Vauxhall's sizzling summer savings

- Vauxhalls Countdown offer is back with 20 per cent off almost all models Nearly £3,500 off a top-selling Corsa
- Accessorise your new Vauxhall with 20 per cent off genuine Vauxhall accessories

SUMMER savings just got hotter as Vauxhall can now offer customers 20 per cent off a brand new Vauxhall. Buyers can expect savings of nearly £5,000 on the Brit-built Astra Sports Tourer or drive away a new Corsa 5-door SRI 1.7 CDTi 16v and save £3,465.

In this summer's, Vauxhall Countdown event, customers can get 20 per cent off the list price, before options, on a majority of Vauxhall's most popular models -as well as the entire genuine Vauxhall accessory range - when a car is ordered or registered between June 17 and July 18 this year.

Scorching savings can be had by customers wanting to move up market too. Choose an Insignia VXR Nav 2.8i V6 24v Turbo 4x4 Auto and savings start from £7,165. For customers on a tighter budget a top of the range Agila SE 1.2 16v ecoFLEX now costs only £9,851, a saving of £2,274. And, for families after great

value holiday wheels, the Meriva ticks all the right boxes from as little as £13,141, saving £3,064

Buyers can also kit out their new car and benefit from 20 per cent off on any genuine Vauxhall accessory when purchasing their vehicle via the Countdown offer. For example, connect your iPod to your car and listen to your favourite music by purchasing Vauxhall's iPod connectivity accessory for just £104. All prices include

fitting, so no hidden costs.

Better still, Countdown means that fitting a high quality bike carrier will now cost just £52 and to make your journey a real breeze, a Garmin sat nav is only £88. Buyers can also save up to £130 on a set of 17-inch alloys while a set of privacy shades cost just £33.60 (including fitting and centre caps). What's more, all cars in Vauxhall's range come with a Lifetime Warranty (or

up to 100,000 miles), available to first owners. This is supported by 12 months Vauxhall Assistance breakdown cover and six years body panel anti-perforation warranty.

"Vauxhall Countdown is a no-nonsense 20 per cent discount that applies across almost all models in our range as well as our full range of accessories," said Peter Hope,

Vauxhall's Marketing Director. "It has instant appeal for all our customers and makes ownership of some of our latest, award-winning cars even more attractive than before."

Chard School pupils enjoy fencing taster session

■ **THAT'S THE WAY TO DO IT:** The Olympic hopefuls demonstrate their skills to the Chard school pupils.

ON Tuesday, June 10th, Chard School pupils were given a fencing taster session by Commonwealth Silver medallist, Hannah Bryars and three other fencers who are hopefuls for the 2012 GB Olympic fencing team.

The Year 4 and 6 pupils who participated in the workshop watched a demonstration by the fencers, received an explanation of the rules and techniques of the sport and had the opportunity to practice what they'd learnt throughout the morning.

At the end of the workshop the pupils gave a display to the rest of the school in the playground.

Send your sports reports and photos to howard@pemia.co.uk

■ **ON GUARD:** The year 4 and 6 pupils try their hand.

Crewkerne Town relishing Premier challenge

AFTER 12 months in Division One, Crewkerne Town Football club will begin the 2011-12 Perry Street League season back where a club of their standing and tradition belong - in the Premier Division writes **Howard Lacombe**.

The Tigers, who have had a somewhat topsy-turvy recent history - Premier Champions in 2008-09, relegated the following season - stormed through a successful Division one campaign during which they picked up the Division One Cup by beating Millwey Rise 4-2 at Thorncombe's Horseshoe Lane back in the first days of 2011.

But the one manger Nick Murphy and his squad wanted was the Divisional title and this was duly landed by five clear points from runners-up Winsham United.

There was also the small matter of an impressive

league goals tally of 95 - the highest in Division One for five years (White Horse 101).

To complete a terrific season the Reserves team also earned promotion to Division Two after finishing runners-up to champions Misterton Reserves - the team the Tigers' second-string defeated 2-0 to lift the Bill Bailey Cup for the first time.

Manager Murphy is understandably upbeat about the upcoming season, he told **WEEKENDER SPORT**: "We are all really looking forward to the new season back in the Premier Division. All the players from last season have signed back on which is fantastic news and I am aiming to add a few new faces to the squad."

"Training starts on the Wednesday, June 29th with a few friendlies already set up including games against Mickey Spencer's Sherbourne Town and Yeovil & District League side Barwick & Stoford - Roll on the new season!"

INSIDE EDGE CRICKET NEWS AND PREVIEWS

Deadly Dalwood heads list

Chard 1st XI returned from Stapleton CCs Sleepy Hollow Ground with their heads - and a five-wicket victory.

Batting first, the hosts piled up 170 for 8 from 42 overs with the bowling honours going to skipper Jon Dalwood (4 for 21) who recorded his fourth four-wicket haul in succession to move joint top of the league's wicket takers list with 23.

Chard's successful run-chase owed much to Rob Glentworth's second half-century of the season. The opening batsman struck nine 4s and two 6s in a fine 72 with Joel Tratt chipping-in with an all-but run-a-ball 32.

Chard entertain Bristol & Somerset Division table-toppers Bedminster tomorrow.

Ilminster 1st XI hit the heady heights of top spot in the WEPL Premier Two Division with a four wicket win in a low scoring encounter with previous leaders Warminster at the Rec.

Ilminster skipper Sam Spurway won what proved to be a crucial toss and had little hesitation in inserting the visitors. Early wickets for Richard Elsworth (2 for 23) set the tone for the afternoon but it was the introduction of Rob Hutchings at first change which tore apart the Warminster middle order. Hutchings went on to claim 4 for 10 from nine overs as the visitors were bundled out for 91.

The Ilminster reply stuttered to 23 for 3 and 70 for 6 but all-rounder Hutchings saw his side to victory with a vital unbeaten 36.

Tomorrow skipper Spurway and his squad travel to second-placed Glastonbury.

In the Somerset Division **Ilton** were well set at 99 for 2 before rain washed -out the visit by Westlands Sports.

Ilton entertain Bishops Lydeard fresh from a 8-wicket grilling of Cheddar where seamer Justin Hayward returned remarkable figures of 8 for 16!

Ilminster 2nd XI's trip to warminster was washed-out without a ball being bowled. The team, still lying second in the Premier Two table will hope for better from the visit of fourth-placed Glastonbury.

Chard 2nds scheduled visit by Stapleton was also a non-starter due to the deluge. The team travel to Bedminster tomorrow.

In the Somerset League Division One **North Perrott 1st XI's** visit by Stogumber was another fixture struck-off without a ball bowled. Next-up is tomorrow's home clash with mid-table Ashbrittle.

Barrington's visit by top of the table Middlezey went with form as they were beaten by six wickets after being skittled for 108 with only Steve Redwood (43) offering much resistance. Meanwhile neighbours **South Petherton** had to be content with 12 points after their trip to Wincanton was postponed. The two teams clash at Lightgate Lane tomorrow.

In Division Four Pete Munden's return of 4 for 29 helped **North Perrott 2nds** dismiss hosts Westlands Sports 2nds for 189. But the Perrott reply fell well short with Julian Marshall-James snr top-scoring will 36 in a total of 94.

Ian Hosken (42 and 3 for 24) was top performer as **Broadway & Ilton** (90 for 6) edged past visiting Taunton Deane Cavaliers' paltry 87 all out and pouch 33 points to move top of the Division Six table.

After a week off third-placed **Chard A** can close the gap on the top two tomorrow when they host Baltonsborough.

A decent all-round performance from the **Ilminster A** bowling attack held hosts' Huish & Langport 2nds to 159 for 8 with Andy Fish and Luke Dopson both claiming two wickets.

But Fish was one of only three players to reach 20 as the visitors fell 25 runs short on 134 all out. Ilminster will be in the market for a win tomorrow when they welcome the Division Seven whipping boys Sparkford.

Meanwhile **Barrington 2nds**, who never got started at Glastonbury Lambs last weekend, entertain Purnells 2nds.

The **All Saints** v Chilton Polden game was another victim of the weather (see photo above). The Saints travel to Temple Cloud 2nds tomorrow.

South Petherton had to be content with 26 points and a draw from the derby game with North Petherton. In-form Gareth Williams cracked 62 as the Southerners posted 144 for 5 in reply to 222 for 7.

In Division Nine (S) Both **Chard 750** and **Ilminster B** were left twiddling their thumbs by the weather. Chard have no game tomorrow whilst Ilminster B travel to Burnham.

Ilton 2nds carded what proved to be a competitive 143 all out against Lydford. But the visitors crawled past their target on 146 for 8 despite Andy Knight bagging 5 for 38.

The luck of the toss paid a big part in deciding Saturday's Division Seven League match as **Crewkerne** were unsurprisingly put into bat by opponents Poole Town 4ths.

After slumping to 0 for 5 in difficult batting conditions Crewkerne rallied to 66 all out, with a captain's innings of 20 from Ashley Lawrence and useful double figure contri-

and R.Radford 21 B.Davies 16. M.Robins, W.Gilbert, K.Leamon and D.Rees 29 J.Reynolds 8.

On Sunday, June 19th we entertained Bridport for a four rink friendly match with the usual light shower at the start and finishing in sunshine and rounded-off a good week for the club with all rinks winning and by an overall score of 94-48.

Rink scores: C.Phinn, D. Eigelaar, P.Robbins and D.Wallis 16 D.Hoskins 15. L.Noad, N.Patel A.Larcombe and Ann Larcombe 28 D.Wilson 12. N.Austin, E.Eigelaar, B.McCallum and D.Rees 22 P.Wilson 12. M.Rawe, D.Fairall, S.Rees and R.Devney 28 N.Eccles 9.

CHARD with Penny Herrick. ON Thursday, 16th June, the Chard Lawn Green Bowlers were guests of Lyme Regis Bowling Club. There were heavy scattered showers in the locality of Lyme Regis and the players endured rain at the start of the game.

Play was on four rinks and the green was in a good condition, if a bit heavy at the start of the friendly game.

Chard won on one rink and lost by one shot on another rink. The final scores were Chard 65 shots, Lyme Regis 85.

On Sunday, 19th June, Chard players travelled to Castle Cary in heavy rain to play on four rinks in the Wessex Mixed Friendly League.

Miraculously, the rain stopped before the players took to the green and held off for the duration of the game.

The Captains decided to play straight through to 21 ends without a break. Chard drew on one rink and

butions from Francis Medley and Mark Culpitt proving vital in setting a total.

Sadly further rain did not come and the pitch dried out and, despite an early wicket from Medley and two from Culpitt, Poole won by seven wickets.

Tomorrow the team host league leaders Bradford Abbas at Henhayes but will be without Sam and Steve Briggs, Rob Cornelius and Mark Pearce who are all unavailable.

The squad is as follows and will be narrowed down to an 11: A Lawrence (captain), J Gould (vice-captain), N Bodger, L Brunt, G Carr, S Cooper, J Crease, M Culpitt, W Higgins, T Isaac, R James, A Knight, F Medley, J Palfrey, P Palfrey, D Parsons, A Thorne.

The Sunday team entertain Thorncombe at Henhayes, after a hard-fought close defeat at All Saints.

Good bowling performances from Rob Keylock (1-32), skipper Hamish Hodder (3-37), Phil Palfrey (2-28), Neil Sentance (2-57) and Darren Parsons (1-19) restricted the hosts to 213 from their 40 overs.

In reply Crewkerne hit 178 for 6, with useful contributions from Nick Keylock (67) and brother Rick (49 retired).

The team to face Thorncombe on Sunday will be from the following players: H Hodder (Captain), N Bodger (Vice Captain), M Brockwell, L Brunt, M Brunt, S Cooper, R Cornelius, M Culpitt, Rick Keylock, Rob Keylock, A Lawrence, F Medley, Jack Osborne, P Palfrey, D Parsons, G Preston, N Sentance, J Stevens, A Thorne.

therefore managed to salvage one point, and lost on the other three rinks.

The final scores were Chard 50 shots Castle Cary 91.

SOUTH PETHERTON with Robert F. Mills. AFTER the disappointment of the Sunday match being rained-off, on Tuesday we returned to a Two Counties League match at home against Crewkerne.

Having been beaten by them on the last two meetings we were looking for revenge. We achieved this, in no uncertain terms, by winning on all four rinks and by an overall score of 43. Thus attaining all 16 of the league points available.

Scores: J James, B Careford, P Hutchings and R Bell won 27-11; P Mottram, G Manuel, C Cox and C Harris won 26-8; N.Pipe, S.Lester, D.Hingley and L. Symes won 16-14; D.Russell, D.Gaylard, J.Smith and R.Corbet won 20-13.

The weather continued to disturb our matches with the Saturday Wessex Friendly League game against Shepton Mallet being called off at the last minute because of a waterlogged green.

We were fortunate however in playing our annual friendly game against Chardminster. The weather stayed fine, and with a very friendly atmosphere, on their most picturesque green, we were able to win on three of the four rinks and by an overall score of 12 shots.

Scores: Eileen Beckey, T Peterson, B Careford and R Corbet won 23-13; Diane Lester, J.Horsey, S.Lester and L.Symes lost 16-19; Helen Perry, Jan Peterson, J Smith and R.Bell won 23-21; K.Rich, Joan Raikes, L. Langdon and R.Mills won 16-13.

AS RUMOUR HAS IT - Football news and gossip ...**Flory installed at Zembard Lane**

NICK Flory is the new man in the first team manager's chair at Chard Town Football club. Flory should be familiar with his new surroundings having played for two seasons under then manager Bob Russell in the mid-90s during which time the club enjoyed a successful promotion back up into the Western League Premier Division.

The 36-year-old then moved on for spells with Weymouth and Oxfordshire club Witney Town.

Sadly a cruciate knee injury cut short his career at which point he spent time in the management structure at Sherborne Town.

Club officials have called a players meeting for 7pm Tuesday (June 28th) when Flory will be introduced, prospective new players are invited to attend.

Pre-season training commences at Zembard Lane on Tuesday, July 5th (7pm).

BRIAN TAKES TOP JOB

LONG-serving Chard Town legend Brian Beer has been appointed as President of the Toolstation Western League.

Mr Beer (pictured below), who has an association with the Robins which stretches back more than 50 years, was installed at the league's recent annual meeting held at Wells City Football Club having previously served on the management committee.

Charity Football Raises Funds for Hospitals

THE recent Kingston Maurwood College charity football match raised over £1000 for Great Ormond Street Hospital and SCBU Dorchester.

The match involved ex-professional footballers from Dorset and Somerset in memory of football fan Nathan Cross who died from a bacterial infection aged just 16.

The event was organised by students studying at Kingston Maurwood College for their National Diploma in Football Studies, and finished with Andy Harris' team beating Steve Thompson's 4-2.

There was great support from the public, and even the weather stayed dry for the evening.

Andy Harris said: "I thoroughly enjoyed the evening, it was nice to see some old team mates and opponents from the past."

"I think the students have exceeded all expectations in the organisation of the event and lots of credit to their tutor Sharon Cornick who I know has worked tirelessly behind the scenes to help them. It would be nice if we can make this an annual event for charity."

Andy Harris' team: Ian Hutchinson, Alex Browne, Brendan King, Shayne Traynor, Leigh Cornick, Jason Matthews, Ashley Vickers, Damion Maston, Martin Underhay, Andy Mason, Andy Harris, David Hughes, Robbie Taylor. The match officials were; Martin Warden (Referee), Kev Bungay (Linesman) Brian Parsons (Linesman).

Windwhistle Golf Club Men's Section**Tall Pines Felled at Windwhistle**

WINDWHISTLE 'B' team hosted Tall Pines on Sunday for an Avalon League Division Four match.

Conditions were dry with the course softened by recent rainfall. The result was an emphatic win 4-1 for Windwhistle.

This win is a great result and moves Windwhistle to second place in the league.

"B" Team Captain Paul Manley was very happy with the result as it gives Windwhistle two matches in hand and only a few points behind the leaders.

The first of the games in hand is away at Farrington next week.

◆ Sunday's Order of Merit Stableford competition was won by Paul Jennings with 35 points, second with 34 was Pete Hamilton-Walsh. Steve Punter came third with 33 points.

Club Captain Paul Fenton would like to congratulate all the winners and all who participated.

ON THE SPOT...**WEEKENDER SPORT puts Chard CCs opening batsman Chris Scott UNDER THE SPOTLIGHT**

Q How long have you been involved in the local cricket scene? who have you played for?

A I started playing cricket for Chard when I was about 8 or 9 for the under 10s then went up through the ages. I was 12 when I started playing men's cricket for Winsham. I was 16 when they folded and joined Chard.

Q Name the three best players you've played alongside and why.

A That's a tricky one because there have been so many such as Scott Wells-Burr, Burt Horner, Emlyn Kuhn and Dave Dyer but the ones that have really stood out for me are Mark Garraway, ex-Hampshire player and England coach Mark Tilley and Jon Dalwood.

Q What has been the best away ground you've played on?

A I've had the privilege to play on some amazing grounds around Somerset, Devon and Dorset but there is only one ground I would love to play week in week out and that is Sidmouth.

Q How would you improve things at Chard CC?

A Well we are just undergoing a new club house extension which has transformed the place no ends, the bar area is a lot bigger and our changing rooms have increased in size. It's going to look amazing when it is all done. The only thing I would like to see changed is the drainage at the ground because we can never quite get a nice hard wicket.

Q Do any games stick out in your memory?

A Last year we played Old Bristolians. They needed seven to win off the last over and my brother Jon, who was captain at the time, asked me to bowl it - Pressure! After bowling a couple of dot balls my third ball went for four wides! So there were still three balls to bowl with them needing one to tie and two to win. I managed to bowl two more dot balls, so it came down to the last ball. The batsman missed but they decided to run anyway, our wicket-keeper, Nathan Warren, threw the ball to me - I was nowhere near the stumps but I managed to turn and hit them and run him out - we won by two runs!

Q What is your top score with the bat and best bowling figures?

A My top score was 117 not out four years ago against Staplegrave in Taunton. My best bowling figures were for the 1st XI three years ago against Ascott & Shapwick when I took 4 for 25 from 10 overs.

Q Name some young players we should look out for in the future.

A Jake Hayes who has opened the batting for Chard 1st XI, Nathan Warren the 1st XI keeper all last year and finally my younger brother Richard Scott - his bowling for us this year has been brilliant and he is knocking on the 1st teams door. Alex Cun-nold and Andrew Haste are also progressing well.
NEXT WEEK: Ilminster CCs Darren Grinter.
